NOTES TO FINANCIAL STATEMENTS

For The Year Ended December 31, 2007

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES This summary of significant accounting policies of FCS Securities (the "Company") is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's owner, who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements. The preparation of the financial statements in conformity with generally accepted accounting principles requires ownership to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
